

Priya Raman

Senior Product Designer · London, UK · priya.raman@example.com · +44 20 7946 0958 · priyaraman.example.com

PROFILE

Product designer with 8 years across fintech and health. I take messy problems to shipped, measured interfaces, and I run research myself. Freelance since 2023; looking for one senior in-house role where design has a seat at the table.

EXPERIENCE

- Freelance Product Designer — Raman Studio, London**

2023 – Present

 - Redesigned onboarding for a pensions app; activation up 23% in eight weeks.
 - Built a token-based design system in Figma for a three-product health startup.
- Senior Product Designer — Penny Bank, London**

2019 – 2023

 - Led design for savings features used by 2 million customers.
 - Ran 60+ usability sessions; set up the research repository.
 - Mentored three designers.
- Product Designer — CareLoop Health, Manchester**

2016 – 2019

 - Designed clinician scheduling tools; reduced booking errors by 40%.

SKILLS

Product strategy, interaction design, user research, prototyping, Figma, design systems, accessibility (WCAG 2.2), workshop facilitation, HTML/CSS

EDUCATION

BA (Hons) Graphic Communication Design, Central Saint Martins, 2015
